ABSAFE GOES GLOBAL

We said 'hei hei' to Norway this week as we took our training services global.

Our new client, Cabot Speciality Fluids, took part in our CSI: Absafe programme, as we hosted sessions from our facility in the Bridge of Don, and in Cabot's Bergen offices.

Our CSI: Absafe events are aimed at improving team work, communication and critical thinking whilst also re-engaging your teams with safety. We stage safety incidents where delegates need to interview witnesses, examine evidence and delve into the details to uncover the root causes that have led to the incident.

We can deliver our CSI: Absafe experience in your premises or here at The Safe - and can tailor our offering to fit your needs.

Talk to us today if you'd like us to host a CSI: Absafe event for you and your team.

COULD YOU BECOME THE NEXT AB-RENTICE?

Absafe has launched the Ab-Rentice, a fundraising initiative held in partnership with AFC Community Trust (AFCCT).

We are looking for teams of five people who will have five weeks of 'trading' to make as much money as possible for Absafe and AFCCT. At the beginning of the process, teams will be given £50 each and have to come up with a money-making idea with the biggest return.

To keep the scheme in line with the BBC's 'The Apprentice', throughout the five weeks, teams will have access to supporting business advisors on hand to help your team with any questions.

If you feel your work colleagues, friends or family would like to join in please contact Victoria on Victoria@absafe.org.uk to register your team.

Aberdeen Football Club has donated prizes and will host a launch event at Pittodrie Stadium on Monday 24th April.

ABSAFE NEIGHBOURHOOD WATCH DIRECTORY

Don't forget to contact us with some basic details about your neighbourhood watch group. We want to create the Absafe Neighbourhood Watch Directory, which will feature the contact details of groups around Aberdeen city and shire. Email watch@absafe.org.uk to include your group.

Noteworthy Property Incidents (Homes, Gardens & Vehicles):

Police Scotland has provided the following list of incidents which have occurred in your area this week as a snapshot of the current crime trends. All incidents are not recorded below, either for legal reasons or where there are issues of sensitivity. The statistics below should not be seen as an accurate reflection of all crime in your area but as a way of raising your awareness to crime in general. This in turn should allow you to take the appropriate safety/security steps to prevent yourself from being a victim of crime.
